MEGAPIX® V-CLASS™

IP Cameras

What is MEGApix V-Class?

DW's V-Class cameras are cost-effective, NDAA-compliant video solutions that deliver crystal-clear real-time 4MP video. The cameras feature basic video analytics and standard features such as Smart IR™ WDR and H.265 codec support, making these cameras ideal for small to medium-sized businesses looking to enhance their existing video solution at an affordable price.

Basic video analytics are included at no extra cost

License-free video analytics are included with the cameras, offering customizable detection zones and event-based alarms, reducing false alarms at no extra cost.

Perimeter Intrusion

Alert operators when an area is breached.

Line Crossing

Alert operators when a line is crossed from either direction.

Color Change

Alert operators when the camera's color reproduction changes.

Scene Change

Alert operators when the camera is moved or the FoV changes.

Video Blur

Alert operators when the camera's view appears out of focus.

Simultaneous dual-streams

Manage traffic and bandwidth on your network, with high-resolution stream for recording and standard-resolution stream for live monitoring.

Main stream for recording.

Secondary stream for live viewing.

Smart IR™

Prevent excessive illumination on objects that are in the front of the scene while offering a clear B/W image without loss of detail.

IR light reflects from object, reducing visibility.

Smart IR™ cameras distribute the IR light evenly in the FoV.

Smart DNR™ 3D digital noise reduction

Produce clearer color and monochromatic video in low-light without adding visual lag or ghost effects.

Smart 3D DNR clarifies digital noise

True Wide Dynamic Range (WDR)

Cameras with true WDR technology have advanced sensors that can deliver clear images in a wider range of lighting.

Intelligent Video Analytics

NDAA Compliant

DW IP cameras, analog cameras, NVRs, DVRs, network devices and management software sold and distributed worldwide are designed and developed in U.S.A. and Korea with manufacturing in Korea, Vietnam and Taiwan.

Most DW products qualify for GSA Schedule Contracts and other government opportunities because they are NDAA compliant.
